

2024

WORK IT DANCE CHALLENGE INFO

THANK YOU FOR JOINING US FOR OUR 2024 COMPETITION SEASON.

BELOW ARE OUR NEW RULES AND REGISTRATION INFO TO HELP GUIDE YOU THROUGH OUR REGISTRATION PROCESS.

- RESERVATIONS: Please note that WIDC only holds the exact number of routines you held in our system during pre-registration. Please visit your dance comp genie portal, if the number you held is not accurate please email us immediately. WIDC cannot guarantee you more space than what you originally reserved. We will make every effort to accommodate your needs.
- ONE DAY EVENTS: NEW THIS YEAR! WIDC will be selecting your day to link you with similar level studios. We are excited to build you a custom competition schedule perfect for each studio attending! Each day is its own event and has its own overall awards. Please have your families hold both days until we release the schedule. From there we will tell you which day you will be attending for your One Day Event! If you would like to split your studio between both days, please tell us in the registration notes. If you have a specific request for the way your schedule is split, please let us know via email at least 6 weeks before your event.
- MEGA EVENTS: Our mega events will run in a traditional schedule where all days of the events are part of the same competition. If your event starts Friday, it will start in the early evening so dancers will not be missing school. Improv competition registration is available at the apparel stand during the event.
- REGISTRATION: Registration for all events is due a month prior to the event. We will send a reminder as we approach. This is to ensure we can send the schedule out with ample time so studios and families have time to plan. Early bird payment is due 60 days prior to the event, regular payments are due 2 weeks prior, however, you will not receive your schedule until your payment has been received. Within 2 weeks of your event, you will receive your schedule as well as what day you are competing if in a one day event.
- NATIONALS: All dancers that compete at our regionals are invited to compete at Nationals. Nationals is filled with fabulous dancing and many free activities, improv competitions and parties. We also have an invitation only Dance Battle. At regionals, our judges will select dances based off entertainment value. Dancers will then have the opportunity to compete for MOST ENTERTAINING ROUTINES OF THE YEAR! New judges come in and judge by level on entertainment value alone. Winners of this Battle receive 6 Foot Trophies and over 60 prizes will be given. Only dancers selected at regionals are invited to participate in this part of Nationals which happens on Sunday of each National Event. Both of our National weeks are filling fast, if you plan on attending you can hold your space on our dcg portal! Fees for battle and our nationals are on our teachers page!
- FEEDBACK: After each event we will send you an email asking for any feedback you may have. Our #1 priority is giving you and your dancers an amazing experience.
- MEDIA: All competitions include media, you will get an email from all access events within a week of your event with your critiques, photos and videos. If you do not see your media, please email us as sometimes it can be blocked by your email because of the large files and we can resend it to you. It will be sent to the email on your dance comp genie portal and you are welcome to distribute it to your families if you wish!
- COMMUNICATION: Please email us any time with any questions, concerns or issues you need resolved. We are happy to help make this a smooth and easy process! Thank you so much for choosing Work It Dance Challenge!

WE CAN'T WAIT TO WORK IT WITH YOU!
